Good Afternoon Amit!

I wanted to take a moment to formally introduce you to Dr. Patrick Wilson of US EPA Region 9. Patrick is the Senior Regional Toxicologist who has provided tremendous support to the Ag Park activities over the past year or so. He has been designated as DTSC's US EPA point person for the Arlanza neighborhood evaluation, and as such, it would be extremely beneficial to keep him in the loop on your conversations with the Air Resources Board and other activities related to the evaluation.

I have copied Patrick on this email, and for your information, his detailed contact information is included below:
